FOR GUIDES AND INSTRUCTORS ONLY

(only sign this section if you are enrolled on a Guide or Instructor course)

I have read and understood all of the content in the PACI student handbook (VER 1.8) by reading it thoroughly before I signed this document. I unconditionally agree to abide by the student code of conduct at all times. I accept and agree that if I do not comply, I may be removed from the course and may not receive a refund.

I further understand and agree that Guide/Instructor training requires a higher level of effort and diligence – because participants/clients will be depending on my knowledge and skill for their safety. I accept that professional Guides/Instructors could be held legally liable for any accidents or injuries that occur while under their control.

I acknowledge and accept that to become a competent Guide/Instructor, I must have knowledge, skills, and experience relevant to the activities I plan to conduct. I further acknowledge and accept that I will have to make an effort to develop and refine my knowledge and skills outside of class contact hours – and this includes writing assignments, and researching and completing written exam papers. I will not plagiarise the work of others – everything I do and hand-in will represent my own work.

I further understand and agree that the amount of effort I put in to my training will translate into more effective learning and promote the best opportunities for success. I further accept and agree that payment for a course is not an entitlement to receive a qualification.

I further understand and agree that I can only work within my allocated scope – which identifies the range of activities I can conduct and the type of environments in which I can operate. I accept that if I attempt to work outside of the parameters identified in my scope, I would be breaching my agreement with PACI and exposing my clients/participants to risk of serious injury and/or death.

My signature appearing hereinafter is verification that I agree to all of the principles and conditions outlined in the PACI student handbook. I intend for this to be a legally binding agreement.
