

Student signing page for PACI Student Handbook:

You must have downloaded and thoroughly read the PACI student handbook before signing this document.

[General outdoor recreation courses \(students\)](#)

I have read and understood all of the content in the PACI student handbook (VER 1.8) by reading it thoroughly before I signed this document. I unconditionally agree to abide by the student code of conduct at all times. I further agree that if I do not comply, I may be removed from the course and may not receive a refund. I accept and agree that payment for a course is not an entitlement to receive a qualification – I will have to apply myself and make an effort to ‘pass’ (ie be assessed as competent). My signature appearing hereinafter is verification that I agree to all of the conditions outlined in the PACI student handbook. I intend for this to be a legally binding agreement.
